RESILIENCE WEEK AGENDA AT-A-GLANCE

Resilience Week 2023 | November 28-30, 2023 | Gaylord National Resort & Convention Center | National Harbor, MD

This year's Resilience Week is being held in conjunction with the Defense TechConnect Summit & Expo. For more information about registration, sessions and session panelists, and co-located events at Defense TechConnect please visit resilience.inl.gov and follow us on LinkedIn and Twitter #ResilienceWeek2023 #DTC2023.

Resilience Week 2023 Focus Areas

This year's Resilience Week is organized across six focus areas (FAs) outlined below:

NOV. 28	**FA 1. The Critical Infrastructure Threat Landscape**	**FA 4. Energy Equity and Community Resilience**
NOV. 29	**FA 2. Understanding Critical Infrastructure Interdependencies**	**FA 5. Cyber Resilience for Operational Technology**
NOV. 30	**FA 3. Building Critical Infrastructure Resilience Through DERs**	**FA 6. Commercializing R&D for Resilience**

DAY	TIME	SESSION	TRACK 1 Room: Baltimore 3	TRACK 2 Room: Baltimore 4
NOV. 28, 2023	08:30 – 10:00 AM		Defense TechConnect Keynote	
	10:00 – 10:30 AM		BREAK	
	10:30 – 12:00 PM	1	Understanding the Climate, Cyber, and Physical Threat & Vulnerability for Infrastructure Systems	Community Benefits Plans and Metrics: Energy Improvements in Rural and Remote Areas
	12:00 – 01:30 PM		LUNCH	
	01:30 – 02:30 PM	2	Training and Exercises to Strengthen Infrastructure Resilience	Nuclear Infrastructure Siting: Tribal Perspectives
	02:30 – 03:00 PM		BREAK	
	03:00 – 04:00 PM	3	Policy-Driven Resilience Enhancements of Critical Electric Infrastructure	Building Equity and Justice into Resilience Planning
	04:00 – 06:00 PM		Resilience Week Poster Sessions & Defense TechConnect Expo	
NOV. 29, 2023	08:30 – 10:00 AM		Defense TechConnect Keynote	
	10:00 – 10:30 AM		BREAK	
	10:30 – 12:00 PM	4	Operationalizing Resilience Frameworks: Watershed Resilience for Low-Capacity Communities	National Level Unity of Effort: Protecting the Heart of our Critical Infrastructure
	12:00 – 01:30 PM		LUNCH	
	01:30 – 02:30 PM	5	Calling All Engineers : Gov't and Private Sector Need Your Skills to Harden Critical Infrastructure Assets	Architectures Architectures Architectures: Paths to Better Security and Resilience
	02:30 – 03:00 PM		BREAK	
	03:00 – 04:00 PM	6	Lighting Talks: Understanding Critical Infrastructure Systems and Interdependencies	RISE Consortium: Catalyzing Resilience with the DoD R&D Community
	04:00 – 06:00 PM		Defense TechConnect Expo	
NOV. 30, 2023	08:30 – 09:30 AM	7	Innovative Distributed Energy Resources Applications for Extreme Weather Events	Cyber Resilience for Operational Technology: A Pitch Event
	09:30 –09:45 AM		BREAK	
	09:45 – 10:45 AM	8	Strategies for Distributed Energy Resources Operations and Grid Integration	Accelerating the Clean Energy Transformation: How Incubators and Accelerators Fuel Innovation
	10:45 - 11:00 AM		BREAK	
	11:00 – 12:00 PM	9	Scaling Vehicle-to-Grid Technology: Use Cases for Community Resilience	From Lab to Launch: National Laboratories and Commercializing R&D
