

# OELS2025 SUMMIT

## OPERATIONAL ENERGY & LOGISTICS

**SEPTEMBER 23-25, 2025**  
Hale Koa Hotel | Honolulu, HI

The annual Operational Energy and Logistics Summit (OELS) was formed in 2019 to advance operational energy, logistics, and cyber capabilities and strengthen partnerships between military, academia, industry, federal agencies and labs to support the DoD's focus areas as outlined by the National Defense Strategy, National Security Strategy, and Department of Defense Operational Energy Strategy 2016.

Entering its 5th year, OELS is produced by TechConnect, a division of Advanced Technology International (ATI), in cooperation with the U.S. Navy Operational Energy Office, U.S. Indo-Pacific Command (J4 and J8), and U.S. Marine Corps Expeditionary Energy Office (E2O).

Join as a sponsor, and receive recognition as a leader in supporting innovation.
